<b>Optional Accessories</b>	Outdoor Covers	

Tank is perfectly sized to discreetly hide a LPG tank while also doubling as a functional and impactful side table or stool. Its finish makes for discreet integration into surrounding decor while its light-weight and built-in handles make for easy relocation.

# Tank (teak wood)

**Application** Outdoor and Indoor

**Materials** Teak Wood

**Weight (approx)** Teak 22kg [48.4lbs]

**Teak SKU**  Natural (Oiled) ESF.5.A.TAN.TN

**Optional Accessories** Outdoor Covers

Tank is perfectly sized to discreetly hide a LPG tank while also doubling as a functional and impactful side table or stool.

Our new industry-exclusive teak finish is made of the strongest and most durable hardwood available. Its natural oil repels water keeping it from warping, cracking, or becoming brittle.
